Rebekah,

Since the confidentiality agreement requires the return of every single copy of CBI within 60 days of payment, please do not e-mail me the invoices that contain purported TRW costs. Please send me one hard copy to the address below.

Thank you,

Wendy

Attached please find the confidentiality agreement for the OOU and TRW sites. If you have any comments or questions let me know, otherwise please sign and return so that we can share the supporting documentation regarding the costs.

Rebekah,

I hope you had a good vacation.

1. Northrop Grumman does not need to participate in the OOU SOW meeting. Thank you for letting us know about it.
2. We will need to see the underlying documentation for the \$11k that EPA says should have been coded to TRW rather than OOU. Please send me the confidentiality agreement. I checked my files and see that we discussed entering into one previously but did not end up doing it.

Regards,

Wendy

Hi Wendy,

I just left you a voice message. If we can't connect today can we chat the week of the 17th, perhaps the afternoon of the 17th? In follow-up to my voice message, I'm attaching a little explanation of the just over \$11K in costs that were inadvertently charged to the OOU. I'd like to discuss the mechanism for reimbursement of these costs when you call me back. Finally, we are looking at October 16th at 10am as the date for a meeting to discuss the OOU SOW. If TRW wants to participate in this meeting and this date doesn't work for TRW please let me know so that we can find an alternate date (Philips and EPA are also available the 11th or 12th of October from 9-12:30).

Best Regards,
Rebekah
